#### **THEME - How School sensitises Humanity among students**

The students of Class IX-E presented their Morning Assembly on 22 August 2022 under the guidance of their class teacher Mrs. Jeyalalitha. The programme revolved around the theme 'How School sensitises Humanity Among Students.

The students began the assembly by reciting 'Gayatri Mantra'. Since August 22 is celebrated as "Chennai Day" Hasini of the class highlighted the day's importance in a few sentences followed by Joshita rendering the welcome Address.

A humanoid took the audience through the Programme based on the theme. A TV Channel Interview, a Semi Classical Dance, a Talk Show, Role play portrayed different ways in which the school sensitises Humanity among students.

The '**Semi Classical Dance**' enlightened the audience about deforestation. The lyrics of the song were composed by the Students themselves.

The '**Talk Show**' revealed the School's contribution towards humanity. How the language classes teach humanity was brought out by the students through a role play.

In '**Dance Elite**', students displayed good co-ordination among themselves. The song selection was well suited to the theme of the programme.

Mellifluous Music was played by nine students and the theme of this was again related to humanity.

In 'Talent Galore' Divyadharshini and Ranjitha played Veena and Sidhartha played the guitar.

The Programme ended with Vote of thanks in three languages.
